Deployed: <https://league-statistic.herokuapp.com/> | Repo: <https://github.com/dspark410/league-stats>

- A web app utilizing Riot Games's API, provides users with their game statistics, item build information, rune selection, win/loss ratio, and more!
- See previous games, other players on your team and the enemy's team along with their statistics.

EXPERIENCE

Dispatching/Delivery Supervisor

Hearst Corporation

Oct 2014 – Current

Oakland, CA

Supervising role, responsible for a large variety of duties including prep work for drivers, dispatching, communicating with drivers, preparing financial statements, and less often communicating with clients. Ensured the daily operations are smooth and unhindered, work extensively with SQL databases and guarantees that the drivers get all the information they need before heading out.

Teaching Assistant for Full Stack Web Development Program

(Part-Time)

UC Berkeley Ext

Nov 2020 – Current
